

# Kenwood Wildlife Center Newsletter August, 2010

*Rescue, Rehabilitation, Education*

## New Treatment Center Construction Done!

It has been two years since the old dilapidated treatment center was towed away and the new not as dilapidated trailer was donated to the Center. Finally after many phases of inner demolition and reconstruction our dream has come true!

## 2010 Musical Fundraiser Was A Rock and Roll Success!

### Rolling Blackouts Band

Played rock and roll classics that got the dancing going setting the mood for fun and bargain hunting at the auction, raffle.

Silent Auction Tables filled with items ranging from fine art to condo vacations in Florida; wine magnums to fresh floral arrangements and fashionable accessories.

Raffle items for garden, bedroom, kitchen, and living room were gladly taken home by the winners and put into service.

On July 11th the Kenwood Farmhouse and Swede's Feeds hosted a successful fundraiser for the Center. It was a fun day that included delicious food donated by Café Citti and Glen Ellen/Sonoma Market. Wine was poured from Kenwood Winery and the Jacuzzi Family Winery. Silent Auction and raffle items were abundant, as were the bargains. Vendors such as Trees for a Change, K. T. Hobby Frames and Bella Rose Organic Skin Care were represented. Kenwood Farmhouse and Swede's was open for business. Guests enjoyed the music, dancing, food and wine under the shade of the canopies all afternoon.

A heartfelt thank you everyone for their hard work, donations, ideas and overall support.

Kenwood Wildlife Center is a 501 3C Non-Profit Organization and since 1989 has been dedicated to the stewardship of nature in Sonoma County through rescue, rehabilitation and education. Visit our website for more information about current activities, our supporters and educational presentations.
